RECHENBERG Intercepts				
BKMA 56660, 1 November 1961 <p>A review of the RECHENBERG intercept material reveals that it almost invariably pertains to persons or activities in which KUBARK maintains a degree of interest. Since we do, in most instances, have other material on the persons mentioned in the RECHENBERG intercepts, including ALDOREY, we would like to continue receiving them for a limited period of time in the hope that they may prove of significance when coupled with other information which is on hand or which may be acquired. In regard to exactly how long the period should be, we must defer to your judgment.</p>
